

About the Presenters

Dan Florelle, Ph.D is an Assistant Professor in the School Psychology Program at Eastern Kentucky University. He has a Ph.D. in School Psychology from Illinois State University (2001). In addition, Dr. Florell is a Nationally Certified School Psychologist (NCSP), certified school psychologist, and a licensed psychologist. Outside of EKU, Dr. Florell had several years' experience working as a school psychologist in the schools and in private practice.

Dr. Florell teaches a range of classes at EKU with a primary emphasis in child and adolescent development and school psychology. These courses include lifespan development, adolescence, child development and introduction to school psychology. In addition, Dr. Florell supervises practicum, internship, and cases in the psychology department's clinic.

Dr. Florell has significant experience with bullying interventions in schools at all age levels and is particularly interested in cyberbullying. Dr. Florell has a range of research interests that have primarily settled on the adolescent population and their use of technology. In addition, Dr. Florell has been exploring issues effecting learning, executive functioning, and issues of training in school psychology. In addition, Dr. Florell is an Associate Editor of the journal School Psychology Forum.

Dr. Florell is very active in various professional organizations. He has been the webmaster for the National Association of School Psychologist (NASP) for the past several years. Dr. Florell was recognized for his contributions in 2011 with the reception of the NASP Presidential Award. In addition, Dr. Florell has been President of the Kentucky Association of Psychology in the Schools (KAPS) and the Coordinator of Online Communication.

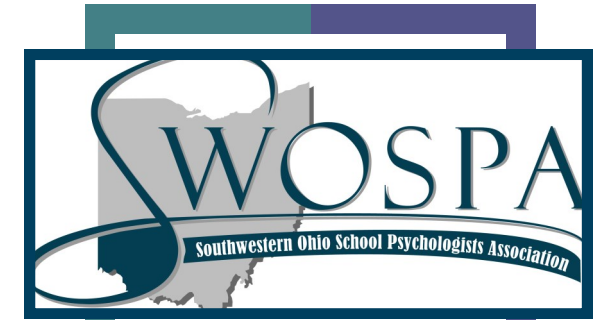

Dr. Florell's research focus is on cyberbullying and adolescent development issues. He also researches professional issues in the field of school psychology particularly in regards to the use of technology in the field.

About the Presenters cont.

Bradley Paramore is the 2019-2020 Ohio School Psychologists Association (OSPA) President. He is the Lead Psychologist for Hamilton City School District. Bradley has served on the Social Emotional Learning Standards Advisory Committee and the Behavioral Health & Wellness Advisory Committee for the Ohio Department of Education. He received his Ed.S from John Carroll University. Bradley has presented research on Positive Psychology techniques in consultation at the NASP Annual Conference, OSPA Spring Conference, and John Carroll Celebration of Scholarship.

Ann Brennan, BA, has worked as a legislative/governmental services professional for 25 years, working for an Ohio Congressman, later for the Ohio School Boards Association, and for the past 20 years for OSPA. Ann graduated from Miami University with a degree in elementary education. After working in Washington, DC for two years, she pursued continuing to work in the legislative policy arena. Her OSPA duties include monitoring and communicating OSPA concerns related to all state legislative bills and agency rules that impact both on school psychologists and the students they serve.

Ashley Lockemer, Ed.S, ABSNP has worked as a school psychologist for the past 9 years in public school and private settings in Georgia and Ohio. She earned her undergraduate degree from Miami University, graduate degree from Georgia State University, and later earned her ABSNP credential in 2016. She is currently on the SWOSPA Executive Board and President-Elect of OSPA.
